## **Aaronic Priesthood Camp 2024 Stewardship Pledge**

Brethren,

We are grateful for the opportunity to once again gather as a body of Aaronic Priesthood holders to uplift one another and grow closer to the Savior during our time at Caesar Creek State Park. As you know, this year's format of camp is novel and different. Together, you, the Young Men of the Cincinnati Ohio North Stake counseled together in prayer to receive inspiration on what the Lord would have happen in the lives of each youth that attends Aaronic Priesthood Camp. Through your efforts in ministering to one another throughout the year, camp can be a refuge from the storms of life that rage around you every day. Caesar Creek is your safe haven. We are so immensely proud of the strides you have made to invite all to attend and feel the love of the Savior while having a ton of fun together.

“As we prepare to embark upon this journey, one cannot but think of how our interactions with the beauties of nature around us can produce some of the most inspiring and delightful experiences in life. The emotions we feel kindle within us a deep sense of gratitude for our Heavenly Father and His Son, Jesus Christ, who created this magnificent earth—with its mountains and streams, plants and animals—and our first parents, Adam and Eve... However, the divine gift of the Creation does not come without duties and responsibilities. These duties are best described by the concept of stewardship. In gospel terms, the word stewardship designates a sacred spiritual or temporal responsibility to take care of something that belongs to God for which we are accountable (Causse, Oct 2022).”

We would like to invite all to participate as stewards of Caesar Creek and to each other during Aaronic Priesthood Camp in the following two ways:

### **Stewards of Caesar Creek State Park**

There are many things we can do, collectively and individually, to be good stewards. Let us adopt routines and behaviors at camp that respect God's creations to keep our campsites beautiful and clean while we reside there. Treat it as you would your own home or the temple of the Lord. Each day at camp, every individual will have responsibilities to maintain and improve upon the grounds and facilities at Caesar Creek. These assignments will be distributed by your Camp Captains to be completed at some point during the day. When you complete your tasks, complete the cycle, and report back to your Camp Captains. “Remember, brethren, to return and report is the final act of the faithful and wise steward (Romney, 1980).” As we work together side by side, we each can find joy in being the keepers of Caesar Creek.

### **Our Brother's Keeper**

“Jesus commanded us to love our neighbor as ourselves. From His mouth, the word neighbor does not merely mean geographic proximity; it implies a proximity of the heart... Our stewardship over God's creations also includes, at its pinnacle, a sacred duty to love, respect, and care for all human beings with whom we share the earth (Causse, Oct 2022).” At Aaronic Priesthood Camp we gather as a unified brotherhood, close in proximity with a goal to grow close to the heart. A pinnacle of our time together can be to forge bonds of brotherhood so strong that they endure the tests of time and strengthen us when the waves of the world seem to crash down around us. To magnify these opportunities and responsibilities while at camp, we will continue the Camp Companions program. Each youth will be paired with another member of their specific quorum for the entirety of camp. You will have the opportunity to request a companion, although these requests cannot be guaranteed. View these opportunities as your first experience with a missionary companion!

There are two main reasons that this program will be implemented at Aaronic Priesthood Camp:

First, above all, the safety of each youth is our primary focus while at camp. No youth should ever be left alone. We encourage you to look out for one another temporally and spiritually. Place your trust in your companion to help ensure you get to the correct locations and are always safe. Of course, two deep adult leadership will always be present at camp.

Secondly, you have the opportunity to minister to one another as well as to other companionships while at camp. Build each other up and learn to minister in the Savior's way. This will likely be an entirely new experience for many of you. We are here to strengthen relationships. Serve joyfully together and work to become united in Christ. If each companionship has this focus in mind, camp truly can become a refuge from the storm and a sacred grove. Together, we will work to make the camp experience as fun and as safe as we can, while edifying each individual's relationship with the Savior, the Holy Ghost, and each other.

In this spirit, we invite all youth and adults to pledge to uphold and to honor these goals while at camp to respect and beautify the grounds of Caesar Creek, as well as to watch over and minister with your camp companion. May this experience be memorable and joyful for everyone in attendance. Share in each other's triumphs and raise up the heavy heads that hang low. "Above all, the greatest gift of love we can offer our fellow men is to share with them the joy of the gospel and invite them to come unto their Savior through sacred covenants and ordinances (Causse, Oct 2022)." You each are members of a chosen generation! We look forward to watching you magnify your priesthood responsibilities as a united Brotherhood. Thank you for allowing us to be a part of your camp!

**Please sign below to pledge to uphold and to honor your individual stewardship to maintain the grounds of Caesar Creek and to strive to be your "brother's keeper" while at camp.** "The participant is responsible for his or her own conduct and is aware of and agrees to abide by Church standards, camp or event safety rules, and other pertinent instructions. Participants' conduct and interactions should abide by Church standards and exemplify Christlike behavior (Church Permission and Medical Release Form)."

## **FAQs for Aaronic Priesthood Camp 2024**

### **When is camp and who can go?**

Camp is June 12 – June 15, 2024. All young men turning 12 this year and older may attend.

### **Where is the camp located?**

Caesar Creek State Park, 8570 OH-73, Waynesville, OH

### **How do I register to go? How much does it cost?**

Every ward/branch has registration packets for each YM and his parent to fill out and turn back in. Payments for camp will be directly paid to the ward through using a tithing slip. See payment info sheet for more details. Camp costs \$50 per camper. **DUE: May 1st**

### **Can my friends or cousins that do not go to our church come to camp?**

You bet! We'd love to have them. They will need to register, pay, and agree to the expectations listed on the *Permission and Medical Release Form* as all the other campers do.

### **Is this camp at the same time as the YW camp again?**

This year both camps will be held at Caesar Creek State Park. However, the YW will be at a different location approximately a half mile from the YM campsite.

### **How do we get to Caesar Creek State Park to drop off and pick up the Young Men?**

The entrance to BOTH camps will be the same this year. Please refer to the included map and directions to determine how to get there. Drop off times will be the same for YW and YM camps. We will have signs to direct you to both registration areas for your convenience. More details will follow as we get closer.

### **If I need to get in contact with my youth or family, will I be able to?**

Cell phone service is usually available at Caesar Creek. If a need arises, please contact any of our stake leaders. Adult leaders will have handheld radios to communicate throughout the camp.

### **Will I have access to my medications?**

Medications will be checked in with the medical provider at the registration desk when you check into camp. We will determine your prescription schedules and make sure you have access when you need them. A plan will be in place with unit leaders for those that require emergency medications to be on hand at all times. If you have any questions, please contact Eric Ashford at 8013727978.

### **What kinds of facilities are at Caesar Creek group campgrounds?**

Caesar Creek State Park offers a plethora of opportunities for adventure and learning about the outdoors from watersports, hiking, fishing, creekng, and so much more. We will be primitive camping with all tents on the ground. Bathrooms and pavilions are the only structures present. This is the same campgrounds utilized on the last night of Pioneer Trek 2023. Parking is readily available in each group campsite.

### **What will the bathrooms be like at Caesar Creek State Park?**

Enclosed flush toilets and sinks are available in each campsite. We recommend bringing your own roll of toilet paper to ensure you always have adequate supply on hand. We will be maintaining and cleaning these facilities each day to make check out easier at the conclusion of camp.

### **Will I be able to shower while at camp?**

The Rangers are allowing us to have portable showers in the campsites. We will be working on ways to make this happen. If not available we can reserve campsites in the individual campsite section of Caesar Creek to use their enclosed showers at that location. We will provide more details as they arise. If you would like to use these facilities, please remember to bring the appropriate toiletries and towel.

### **Will we be spending time with the Young Women?**

We will see them on occasion throughout the week. Remember, Young Men are **NOT** to go over to the Young Women side of the camp unsupervised for any reason.

**What is the structure of camp like and who will I be spending time with?**

Aaronic Priesthood Camp will have a similar structure as 2023. Each quorum will be camping and spending time with members of their quorums rather than solely with members of their units. This is an opportunity to get to know those in the stake outside of their units that hold the same Priesthood office as themselves. There will be times that they will spend with their units as well. Each youth will be paired up into a camp companionship or trio that you will stay with throughout camp. This “buddy” system is for your safety as well as to give you a missionary companionship type experience at camp.

**Will I have free time or is every minute scheduled?**

Though a good portion of the camp is structured time, you will have ample down time to spend with other youth as well as opportunities to be by yourself for spiritual growth. The youth will have the opportunity to plan every aspect of camp this year!

**Will I be able to feel the Spirit at camp?**

There will be many scheduled opportunities for you to have on your own at camp. We invite you to use these times as opportunities to enter your own personal Sacred Grove. Come to camp prepared to receive personal revelation and ready to listen to the promptings you receive. There will also be many opportunities as groups and units to have spiritual discussions that can invite the Spirit. Remember, receiving revelation is a personal experience and requires effort and a listening heart. Make every day at camp a revelatory experience!

**Will I have any opportunities to serve while at camp?**

Though there will be structured time for service at Caesar Creek, we invite each of you to find opportunities throughout your time at camp to serve one another. Follow the promptings you receive and make someone else’s experience at camp a little brighter. A smile and a kind word can go a long way for someone that is feeling isolated and maybe a little homesick. Follow the Spirit!

**What will the food be like? How will it be prepared? What if I have allergies?**

The food will be fantastic and plenty of it! The stake will be providing and preparing all the food. Please dispose of all your wrappers and food appropriately in your tents to avoid animal invasions! If you have food allergies, stake leaders will discuss your needs with your family before camp starts so we are prepared to make this a wonderfully safe experience for you.

**If there is no running water at Caesar Creek, how will I know my son is getting enough water?**

At Pioneer Trek 2023 we were able to utilize the water supply in each of the bathroom facilities for drinking water. We are hoping to have the same privilege for AP Camp. If not, we plan on using a 250-gallon water tank on a trailer to transport water from the Rangers offices. Each unit will have 10-gallon water containers in their camps that will be regularly filled with water and ice. Each youth is required to bring their own one-liter water container to use throughout their time at camp. Stay hydrated!

**What are the tent arrangements, and can I use a hammock?**

Sleeping arrangements will be determined by the Aaronic Priesthood Camp Council which consists of adult and youth leaders. Tent acquisition will be conducted by the stake leaders. Due to the thick underbrush at Caesar Creek, hammock camping will not be available in every campsite, but it doesn’t hurt to try! Make sure to bring a tent either way, especially to house your gear in case of inclement weather.

**What time will we wake up and go to bed at camp?**

The proverbial rooster will crow at 6 AM and lights out will be 10 PM. If you use every minute to the fullest at camp, you will want to go to bed on time!

**Is there swimming?**

We don’t recommend swimming in Caesar Creek. We will be including a water activity at camp (Morgan’s Canoe, Kirkwood Adventure Center, etc.) More details to follow. Please bring the appropriate swimwear and SUNSCREEN!

**What if I don’t want my youth to participate in certain activities while at camp?**

Write your request on the *Permission and Medical Release Form* and sign it.

**Will I be able to fish at Caesar Creek?**

Fishing is available at Caesar Creek, but since it is a State Park a state fishing license will be required for each individual. Please bring a current license, your poles and tackle, if you would like to participate.

**Who do I talk to if I still have questions?**
